

/home/matthieu/Projet  
/tron-lif7/src/Mur.h

```
graph TD; A["/home/matthieu/Projet  
/tron-lif7/src/Mur.h"] --> B["stdlib.h"]; A --> C["stdio.h"]; A --> D["Couleur.h"];
```

The diagram illustrates the preprocessor directives at the top of the file `Mur.h`. A central box represents the file's content, with three arrows pointing to the included header files: `stdlib.h`, `stdio.h`, and `Couleur.h`.
